

Misson

The Googie and Friends tournament was established to foster the game of golf in an urban environment. Not only does the tournament support junior golf in the City of Oakland, but it fortifies the existing relationship between the four junior golf programs. Each program presents a significant contribution to our youth and through the efforts of this tournament, you will be making a difference as well. The combined efforts of our junior golf programs reach over 1000 youth per year. Youth are exposed to the game of golf and its values. Honesty, integrity and respect are life lessons participants use at the golf course as well as the real world.

Leonard "Googie" Kirtley Jr. passed away in December 2017. Please join us this year to celebrate his life and his unwavering commitment to youth development through golf in Oakland. In the last year, The First Tee of the East Bay had to close and funds are needed more than ever to maintain and grow the programs that support youth in Oakland. The four programs including their boards of directors, participants, volunteers, instructors, parents, and host golf courses appreciate your support. We look forward to seeing you at this year's tournament!

Past Message from Googie

We all want our children to be successful. But success means more than passing tests and a 4.0 grade average. If our children experience the value of a caring, compassionate learning community, and if we help develop their character strengths, we will have academically successful students of good character.

Smile,
Leonard "Googie" Kirtley Jr.
